OLD BUSINESS:

None.

NEW BUSINESS:

Chairman Westbrook addressed the committees. Chairman Westbrook stated that there was a contract between the City of Dresden and the County to rent rooms in the Civic Building for use by the Office on Aging. Also stated in the contract was the use of public access rooms between the hours of 7am and 4pm. He noted that a letter had been received by the Office on Aging stating that the auditorium of the Civic Building had been booked and could not be used during the month of March. The Office on Aging uses the auditorium for many of the activities for the Seniors as outlined by the contract between the County and the Northwest Tennessee Area on Aging. Chairman Westbrook recognized Mr. Forrester. Mr. Forrester stated that the auditorium is not one of the rooms considered to be public access. Public access rooms would be rooms like the restrooms. He went on to say that there is a schedule at the City Hall where any citizen may request use of the auditorium. The schedule is in place to ensure no double bookings. The Office on Aging should send a calendar of events one month ahead of time to request use of the auditorium. Chairman Westbrook recognized Ms. Rogers. Ms. Rogers noted that she does plan her calendar and sent a copy to the City Hall one month in advance. Chairman Westbrook commented that it appears there was a breakdown in communication. He advised Ms. Rogers to email her schedule to the City Hall and that would provide her with a paper trail.
